

# WEATHERIZATION PROGRAM

## Rebate Application

### July 1, 2010

Name: \_\_\_\_\_ Utility Account #: \_\_\_\_\_ - \_\_\_\_\_

Address: \_\_\_\_\_ City: \_\_\_\_\_ State: \_\_\_\_\_ Zip: \_\_\_\_\_

Day Phone: \_\_\_\_\_ Installation Address (if different): \_\_\_\_\_

**ELIGIBILITY REQUIREMENTS:**

***MUST BE A CURRENT REDDING ELECTRIC UTILITY CUSTOMER.  
MUST FILE WITHIN SIX MONTHS OF PURCHASE DATE. (Not install date)***

**CHECK LIST FOR REBATE PROCESSING:**

- COMPLETE CUSTOMER INFORMATION REQUESTED.
- CALL 339-7200 FOR YOUR City of Redding UTILITY ACCOUNT NUMBER IF NEEDED.
- FILL IN THE BOXES THAT APPLY TO YOUR REBATE ITEM. (separate application and receipt for each item)
- SEND COPY OF PROOF OF PURCHASE - RECEIPT OR INVOICE AND CONTRACT signed and dated.
- SIGN BELOW AND MAIL TO REDDING ELECTRIC REBATES, P.O. BOX 496071, REDDING CA 96049-6071.
- FOR QUESTIONS OR TO SCHEDULE AN APPOINTMENT CALL 339-7215.

***Processing takes up to 8 weeks before being posted as a credit to your City of Redding utility account. Itemized rebates can be found on the back of your monthly bill. Please do not call to check on the status of a rebate until after at least two billing cycles.***

**HELPFUL TIPS:** Your documents must provide proof of all the information requested on your rebate application. REU requires efficiency information such as proof of R-Value, solar blockage percentage, radian heat rejection, or emissivity data. Invoice stating the air-conditioned space square footage total must be provided.

**Provide a separate application and proof of purchase for each rebate item.**

### **WEATHERIZATION Rebate Criteria - Rebate applies to conditioned space only.**

#### **INSULATION**

1. Insulation, weatherstripping, and caulking rebates are only available for existing homes and businesses.
2. Insulation R-Value levels must be equal to: **Attic R-38, Floor R-19, Walls R-13.**
3. Re-roofing projects requiring additional attic insulation will only qualify for increasing insulation from R-30 to R-38.
4. New construction developers should contact REU regarding the Earth Advantage Construction program.

#### **WINDOW TREATMENTS**

5. Window treatments must provide a minimum **solar blockage of 60%**.

#### **RADIANT BARRIER**

6. Radiant barrier roofing materials must have a **95% radiant heat rejection rating or greater.**

#### **THERMAL BARRIER**

7. Thermal barrier materials must meet emissivity requirements of **85% or greater.**
8. Radiant and Thermal barrier materials must provide additional documentation with the total square footage of conditioned space covered with efficiency product.

**Rebate maximum's are for the life of the program.**

#### **TERMS and CONDITIONS**

Funds for these incentives are limited. REU reserves the right to change and/or terminate incentives at its own discretion based on availability of supporting funds. REU also reserves the right to inspect and verify installation of any energy-efficiency improvements. Customers who reject REU's verification process may be subject to rebate denial or reversal. REU does not guarantee any equipment or energy savings. Only current REU customers qualify for a rebate.

**Submit Completed Rebate Application and documentation to:**

***Redding Electric Rebates - P.O. Box 496071 - Redding, CA 96049-6071***

**For more information or appointment please contact REU at 339-7215**

***Rebate information and forms available on-line at [www.reupower.com](http://www.reupower.com)***
